## **Letter of Reference for Yue Enqi, Txxxx284I**

Yue Enqi is my student at Woodlands Ring Secondary School. I have known her since Jan 2019. From Secondary One, Enqi has been a responsible, respectful and resilient student. Being highly motivated and ambitious, Enqi aspires to do her best and excel in everything she is committed to. She has also displayed clear goals of her paths ahead, seizing all opportunities in leadership and her interests in areas relating to Science and Robotics. She represented the school in many competitions from the International Micro:coding Championship, Robotics Challenge and Science Buskers Challenge.

Enqi is the exemplary student who is always polite and respects the authority placed above her. She cares about others a lot too. In Secondary Three, Enqi displayed moral courage to email and share with me, the Principal, on how the school and I could better care for students' emotional and mental well-being when an unfortunate episode happened to one of her schoolmates. Her email was well-crafted with much care and respect. I appreciate the maturity and useful suggestions Enqi shared from the perspective of a student. The school has also witnessed how Enqi has developed maturity to interact with different people and take difficult situations in her stride, hence being a positive role model to her classmates and schoolmates. Enqi is an inspiration and a delight to her teachers and friends.

Enqi is an all-rounder and consistent performer in leadership and academic. Enqi's ability to adapt to changes and her drive to succeed are her greatest strengths. I have faith that Enqi will continue to give her best and do excellently in her future endeavours.

Yours faithfully

Mrs Ng Siew Bee
